## PRESIDENT'S MESSAGE

Hi everybody,

We made it to April, Hurray! Our show is just around the corner, so make sure you tell all your friends about it. If they have been there before, they will be glad you reminded them. If they haven't, let them know they don't know what they are missing. Also, there are two spots left for the carving class after the show. For more information see Sandy Smith.

I also have some pieces of cedar fence boards about 10"-12" long that are perfect for burning or simple carving (chip carving, etc.) to make key hooks or towel hooks for the kitchen. Try to make these items a country theme, like chickens, deer, fish, horses, pigs, cows, etc. If you want some, see me next meeting. I can seal them and attach hooks for all finished pieces for the charity table. There are enough that you can take one for yourself if you make one for the charity table. Thanks for your support in this effort.

Please sign up for a table at our show. If you don't have enough carvings to fill a table, do what Earl and I are doing, share a table. You each pay half and the money you save almost pays for dinner for you and your significant other. By doing this, you can then enter some of your carvings in the competition. You may win a ribbon, but it is just fun to enter, win or not, and see all of the other great carvings there. Be sure to sign up to help at the show. Bonnie will be putting sign-up sheet out next week. It is only 2-3 hours per shift and helps make our show the success it always is.

If you plan to attend "PORK IN THE PARK", please make sure to sign up with Cheryl McConkey so we have an accurate count to know how much to buy. It should be a lot of fun.

Will see you all next month and at the show. Have some fun carving.

MartyWells, NAWC President

Show Committee reported that more door prizes and Chinese auction donations are needed.

**Old Business:** Gassville in the Park is June 1, 2019. The NAWC Picnic has been re-scheduled and the park reserved for June 15th, 9am to 4pm. Motion made and passed that the club will pay for the ribs. Sign up sheet should go up next week, so that Kim will have a count for the rib purchase.

Both Red and Marty have checked with Lowes and Home Depot. They both have various 1/4 inch plywood/luan for burning. Several people took pieces of wood to try and will report back. Marty noted that there were more varieties of the 1/4 inch plywood that could be special ordered on line. Heinecke was unable to supply 1/4 inch basswood. Others suggested that people could check with woodcraft stores on line as well.

**New Business:** The Commander of VFW asked that we come in on Saturday March 23rd. They plan to clean out the closet that we share with the VFW. His plan is that we will have exclusive use of the closet and all carving items will be stored, with the club and the commander having the only keys. He hopes to find the ticket cage that Kim made that dissappeared from the closet. If it does not appear, he asked if we knew the date that it came missing and he will check the surveillance tapes for 48 hours before. Please let Marty know if you remember the date. (*Ed. note: It has been found.*)
